RECONNAISSANCE NOTES
17 SEPTEMBER 2025 - VERSION 1.0**

WWW.TARGA.COM.AU

CONDITIONS

On receipt of the Targa Tasmania reconnaissance notes, the recipient agrees to abide by all state road rules, to act in a manner that does not at any time jeopardize the integrity or the public image of Targa Tasmania and not to act in any way that could be prejudicial to the organiser. This includes multiple runs over stages at increasing speeds (this will be deemed as practicing) by a vehicle registered too or hired by a person who is competing in Targa Tasmania.

ROAD MARKINGS

The time control in, stage start, restricted time zone 200m warning, start, finish, flying finish warning board, flying finish, stop 200m and stop points may have been marked on the roadway with yellow paint as follows:

Targa stages are from the yellow 'TS' to the yellow 'TF' followed by a yellow 'SP'.

Transport stages are from the yellow 'SP' to the yellow 'TC'.

One yellow triangle on either the left or the right side of the road 50m to 120m before the TF marks is the location of the flying finish warning board.

TF = targa stage flying finish control,

One yellow triangle on each side of the road 200m before the SP marks is the location for the STOP 200M boards.

SP = the targa stage stop point control at the end of the targa stage.

TC = time control in TS = targa stage start control, X = 200m warning board for a restricted time zone, ZS = start point of the restricted time zone, ZF = finish point of the restricted time zone

CAUTIONS

Cautions (!, !!, !!!) are marked on both sides of the road 50m (greater on fast approaches) prior to the hazard with a yellow triangle to indicate where the CAUTION boards will be located.

GPS POINTS IN THIS DOCUMENT ARE SHOWN IN THE FORMAT DEGREES, DECIMAL MINUTES.
