## Targa Hall of Fame

The Targa Tasmania Hall of Fame has been set up to honour outstanding commitment to the event by past and present competitors and officials.

Competitors are automatically admitted to the Hall of Fame on completion of 15 events, when they are also awarded the John Large Memorial Award. Targa Tasmania believes that if a competitor reaches this milestone, they deserve to be remembered forever.

The Targa Tasmania Legends section within Targa Tasmania Hall of Fame is for the competitor who achieves the ultimate Platinum Diamond Targa Plate (five sets of three Targa plates).
